

COME JOIN US!  
**SEPT 23-25**  
HOTEL WINDROW  
ELLENSBERG

Join us for a three day deep dive  
to level up your skills in GIS-Mo  
and network with peers across the state!

**APRIL 10**

**Registration  
Opens**

(up to two staff  
per county)

**JUNE 16**

**Remaining  
Seats Open**

(available to all,  
regardless of county)

In order  
to maximize  
county participation  
with limited seats,  
initial registration  
will be capped at two/county  
to allow each county  
an opportunity  
to register!

If you are managing the road and infrastructure assets that are the backbone of Washington's economy and communities - then this is the conference for you!

Deepen your knowledge of tools including ESRI Mobile, Event Editor, VueWorks, WorkForce Vue, receive hands-on training from experts, troubleshoot issues and more while collaborating with peers who understand the challenges you face every day.

**REGISTER NOW!**

Conference is limited to the first 50 attendees.
